5 YEAR WARRANTY CERTIFICATE

The **EVERPLAY** "in situ" installed conforms to the formulations and standards of **EVERPLAY INTERNATIONAL INC.** This warranty is in lieu of any other warranties expressed or implied, including, but not limited to any implied warranty of merchantability or fitness for a particular use. To maintain the warranty in effect, the **EVERPLAY** maintenance procedures must be adhered to. Note that fading and wear of the pigment or painted surface are considered normal wear and tear. Not included is vandalism or other wilful acts.

For Accessible Routes that are designed and built to the requirements of CSA Z614-07, Annex H, the warranty shall cover continued compliance, excluding surface grade changes resulting from settlements and frost heaves.

The sole and exclusive remedy of the buyer against the **EVERPLAY** Installation Inc. shall be for the replacement of the defective area for a period of five years from the time of installation. No other remedy, including, but not limited to, incidental or consequential damages for lost profits, lost sales, injury to person or property, or any other incidental, or consequential loss, shall be available to the buyer or owner. The polyurethane binders (SF138) utilized in the **EVERPLAY** "in situ" system and this project are the same as those formulated and manufactured for use in the **EVERPLAY** "in situ" system since 1990. The binders utilized in the **EVERPLAY** "in situ" contain no latex. Utilization of the SF138 will allow for the maintained **EVERPLAY** surface to remain resilient and perform within the requirements of the ASTM F1292-99, ASTM F1292-04 and ASTM F1292-09 for the warranty period when field tested with a Triax2000 instrument from the same drop heights and at the same locations tested at the time of the initial **EVERPLAY** installation and within the temperature range of -10°C and 50°C . The results of the drop tests at time of installation must provide a G-max less 150 and HIC less than 800 for the noted drop heights when field tested with a Triax2000 instrument. For this warranty to be in effect, a report outlining the locations, drop height and results must be forwarded to **EVERPLAY** Installation Inc. within 60 days of the initial **EVERPLAY** installation.
